

Online CPR Renewal

Did you know there is a quick, inexpensive way to complete your Healthcare Provider CPR renewal? In today's fast-paced times, sometimes we don't have the time to schedule courses or rearrange our schedules to attend.

- In these cases, you can utilize the American Heart Association's website and complete every portion of the course with the exception of the skills exams.
- Go to www.onlineaha.org. Under the course selection menu, you are looking for the 'BLS for Healthcare Providers online Part 1' (catalog number #90-1403), and the cost is \$22 paid online.
- Upon completion of the course (1-2 hours), you will have a course completion certificate that you need to print.
- Contact us at 502-633-5725 to schedule your skills exam. This part will take approximately 30 minutes, and all you need to bring is \$20.00 (preferably check or money order), and your completion certificate to your appointment.
- Pass your skills portion and receive your certification card!

It's just that easy! If you have any questions or to schedule an appointment, please contact us at 502-633-5725. For questions on the BLS Online course material, please visit www.onlineaha.org.
